Please check the following box if your dancer is interested in a **private(s)**. Privates will be looked at closely during all audition styles. Dancers given a private will be based on previous dance season work ethic, scores from the past season, as well as what the studio owner thinks the dancers best style is. Please only select that you want to be considered for a private if you are willing to take out the time to work on your piece that the instructor gives you. There are only a certain number of private spots for each instructor. By checking one or more of the boxes does not mean your dancer will receive at private lesson. If a private is not given, you will receive an email as to why and what the dancer needs to work on to receive one the following season.

- Solo Duet Trio

Please check if you would like to be considered for the **A-List Performance Team**. These teams will be in the styles of Jazz, Clogging, Irish, and Hip Hop. If selected for the Performance Team, you would be agreeing to do all extra performances throughout the season (a list of performances will include the Apple Festival, Ag Fair, Nascar, and Downtown Christmas). Performance teams will learn all their dances over the summer from July to August (1 style - \$20, 2 styles - \$30, 3 styles - \$40, 4 styles - \$50). These dances will be simple, fun, and entertaining for us to show out to our community. These dances will not be for competitions.
